(2) If a commodity pool operator elects a fiscal year other than the calendar year, it must give written notice of the election to all participants and must file the notice with the Commission within 90 calendar days after the date of the pool's formation. If this notice is not given, the pool operator will be deemed to have elected the calendar year as the pool's fiscal year.

(3) The commodity pool operator must continue to use the elected fiscal year for the pool unless it provides written notice of any proposed change to all participants and files such notice
